Cheapflights is an online shopping comparison engine that makes it easy for consumers to research, compare and save on domestic and international trips. *One-on-One* is a popular blog series that goes face-to-face with the travel industry's leading decision makers to discuss and address topics relevant to many of today's business and frequent travelers.

During her recent interview with ExpertFlyer, Ms. Hanrahan offers her thoughts on the economy, the state of the business travel industry, and ways businesses and consumers can "travel smarter" to maximize corporate and personal budgets. Hanrahan also shares the most popular travel destinations researched by travelers across U.S., Europe and Far East, as well as results from a recent summer vacation poll, revealing what's on the minds of today's travelers.
